5. Payment of the Membership Fee

5.1. The terms, amount, and procedure for paying the membership fee are determined by the Public Offer for payment of the membership fee posted on the Website.

5.2. The membership fee is valid for one year from the date of payment (date to date). The fee is not recalculated proportionally to the number of months in the event of early termination of membership.

5.3. The user independently chooses the payment method: a one-off payment or the activation of auto-debit (if the function is available on the Website and the user has given separate consent).

5.4. By default, auto-debit is disabled. The Website does not initiate any debits without action by the user.
